

**Joseph M. Gabriel**

Department of Behavioral Sciences and Social Medicine  
Department of History  
Florida State University

joseph.gabriel@med.fsu.edu

## Education

2006	Ph.D., Department of History, Rutgers University Fields: United States History, History of Medicine
1999	M.A., History, University of Massachusetts at Amherst
1992	B.A., Philosophy, University of Massachusetts at Amherst. Minor: Chinese Languages and Literature.

## Academic Positions Held

2016 – Present	Associate Professor (with tenure). Department of Behavioral Sciences and Social Medicine, College of Medicine, Florida State University (75%).
2016 – Present	Associate Professor (with tenure). Department of History, Florida State University (25%).
2015 – 2016	Associate Professor (with tenure) and George Urdang Chair of the History of Pharmacy. Department of Social and Administrative Sciences, School of Pharmacy. University of Wisconsin, Madison.
2015 – 2016	Associate Professor (affiliated faculty). Department of Medical History and Bioethics, University of Wisconsin, Madison
2007 – 2015	Assistant Professor. Department of Medical Humanities and Social Sciences, College of Medicine, Florida State University (Note: The department was renamed “Behavioral Sciences and Social Medicine” in early 2014)
2006 – 2007	National Science Foundation Postdoctoral Fellow. Science Studies Program, University of California, San Diego.

## Awards and Fellowships

2023	Visiting Scholar, Massachusetts College of Pharmacy and Health Sciences
2019	Visiting Fellow, The Hastings Center

2014	Travel grant, Chemical Heritage Foundation.
2009	Jack D. Pressman-Burroughs Wellcome Award, given by the American Association for the History of Medicine for best book project.
2006-2007	National Science Foundation Postdoctoral Fellowship. Science Studies Program, University of California, San Diego.
2007	Reynolds Associate Research Fellowship. Lister Hill Library of the Health Sciences, University of Alabama at Birmingham.
2004-2005	University Graduate Excellence and Research Fellowship. Institute for Health, Health Care Policy, and Aging Research, Rutgers University.
2002-2003	Graduate Fellowship. Center for Cultural Analysis, Rutgers University.
2001-2002	Graduate Fellowship, Rutgers Center for Historical Analysis.
1999-2000	Graduate Fellowship. Department of History, Rutgers University.

## **Publications**

### **Books:**

In preparation: Joseph M. Gabriel, *Pharmaceutical System: Intellectual Property and the Moral Economy of Scientific Drug Development, 1914-1942*.

Nils Kessel, Joseph M. Gabriel, and David Herzberg, eds., *Risk/Benefit: History from the Medicine and Drug Divide*. Forthcoming, University of Rochester Press.

Matthew James Crawford Joseph M. Gabriel, eds., *Drugs on the Page: Pharmacopoeias and Healing Knowledge in the Early Modern Atlantic World* (University of Pittsburgh Press, 2019).

Joseph M. Gabriel, *Medical Monopoly: Intellectual Property Rights and the Origins of the Modern Pharmaceutical Industry* (University of Chicago Press, 2014)

David Morton and Joseph M. Gabriel, *Electronics: The Life Story of a Technology* (Greenwood Press, 2004; Johns Hopkins University Press, 2007)

### **Dissertation:**

Joseph M. Gabriel. *Gods and Monsters: Drugs, Addiction, and the Origins of Narcotic Control in the Nineteenth-Century Urban North* (Rutgers, 2006).

### **Edited journal issues and manuals**

Joseph M. Gabriel., ed. “History, Memory, and Trauma: A Special Issue” *Traumatology: An International Journal* (December, 2009). Introduction, plus eight edited essays by authors from a variety of disciplines.

Joseph M. Gabriel and Gareth Dutton, eds. *Basic Interviewing Skills for First Year Medical Students* (Florida State University College of Medicine, 2009). This is an introductory text assigned to medical students as part of the Florida State College of Medicine curriculum.

#### Articles and book chapters (# = peer reviewed)

*In preparation:* Joseph M. Gabriel and Harold Braswell, “Bioethics as Interruption: Adorno, Jazz, and Moral Deliberation in a Time of Authoritarianism”

*In preparation:* #Joseph M. Gabriel, “Monopolizing Tryparsamide: Intellectual Property, the Rockefeller Institute for Medical Research, and the Pharmaceuticalization of Public Health, 1917-1942,” submitted to *History of Pharmacy and Pharmaceuticals*. This paper has received a “revise and resubmit.”

*In preparation* #Shermeeka Hogans-Mathews, Joseph M. Gabriel. Roxann Mouratidis, Rasheda Haughbrook, Dantasia Welch, Giovanna Mompremier, Courtney Harold, “Uncovering ACEs: A Scoping Review of Adverse Childhood Experiences Research in the US Virgin Islands” submitted to *Journal of Health Care for the Poor and Underserved*. This paper has received a “revise and resubmit.”

### **Presentations Given**

November, 2023	“Proprietary Medicines and the Crisis of American Pharmacy, 1918-1942” Massachusetts College of Pharmacy and Health Sciences
2023:	“Teaching about Race and Medicine at a Florida Public University,” Consortium of the History of Science
2022:	Invited commentator, Patrick Walsh: “The Company and the Clinic: Parke, Davis & Co., Physicians, and Corporate Drug Trials in American Endocrinology, 1900-1920” American Philosophical Society.
March, 2021	Plenary session, “Race, Religion, & Health: Epidemics of Disparity” <i>Academy of Religion/Society of Biblical Literature Southeastern Regional Conference</i>
Sept. 2020	“Proprietary Medicines and the Search for an Ethical Pharmacy” New Social History of Pharmacy Festival, University of Wisconsin
October, 2019	“Narrative Risk” University of Strasbourg, Conference on risk and pharmaceutical history.
August, 2019	“Pharmaceutical History, Ethics, and “the New Demarcation Problem”” The Hastings Center.
July, 2019	“Benjamin Rush and the Enlightenment Critique of Habit” Annual meeting, Society for Historians of the Early American Republic.
October, 2018	“Reputation and Profit: Drug Patenting and the Transformation of American Pharmaceutical Science” Invited talk. Center for the Protection of Intellectual Property, George Mason University. Invited talk.
May, 2018	Chair and discussant, panel on medical technologies. American Association for the History of Medicine.
April, 2018	“Clinical Trials and the Origins of Pharmaceutical Fraud” Workshop on the history of fraud in scientific research, Uppsala University, Sweden.
November, 2017	Roundtable on business history and the history of science. Chair and participant. History of Science Society, annual meeting.

October 2017	“Origins of a Legitimization Crisis” University of California San Francisco, medical school. Invited talk
October, 2017	“Pharmaceutical Industry Corruption and the Erosion of Scientific Credibility: A Lesson from the Past” American Society for Bioethics and Humanities, annual meeting.
August, 2017	“Acceleration and Profit: Intellectual Property and the Transformation of American Pharmaceutical Science, 1920 – 1942” Changing Political Economy of Research and Innovation annual workshop, Massachusetts Institute of Technology. Invited talk.
July, 2017	“Monopolizing Tryparsamide: Global Intellectual Property Regimes, Public Health, and Drug Development at the Rockefeller Institute, 1917-1941” International Society for the History and Theory of Intellectual Property, University of Toronto Center for Innovation Law and Policy.
April, 2017	“Big Pharma and the Transformation of American Medical Ethics” University of Buffalo, Jacobs College of Medicine and Biomedical Sciences. Invited Talk.
March, 2016	“Medical Science and Private Profit: The Nineteenth-Century Origins of the Critique of Big Pharma” Medical Science in a Social World, conference on social epistemology, University of California, Irvine.
November, 2015.	Invited participant in roundtable on <i>Medical Monopoly</i> and Jeremy Greene, <i>Generic: The Unbranding of Modern Medicine</i> . Philadelphia Consortium for the History of Science. November, 2015.
November, 2015	“Pharmaceutical Patenting and Industrial Cooperation in the 1920s” History of Science brown bag series, University of Wisconsin, Madison. Invited talk.
October, 2015	“Historical Origins of a Legitimation Crisis” Holtz Center, University of Wisconsin, science studies series brown bag series. Invited talk.
October, 2015:	“Origins of a Legitimation Crisis: Science, Profit, and the Challenge of Big Pharma” University of Minnesota, Program in the History of Science, Technology, and Medicine. Invited talk.
June, 2015	“Medical Monopoly: Intellectual Property Rights and the Origins of the Modern Pharmaceutical Industry” Chemical Heritage Foundation, Philadelphia PA. Invited talk.
June, 2015	“Toward a History of Counterfeit Drugs: Intellectual Property Rights and Illicit Markets in Three Bayer Products” Alcohol and Drug History

	Society, annual meeting.
May, 2015	“Ethics and Innovation: Intellectual Property and the Rhetoric of Monopoly in the Nineteenth Century Pharmaceutical Industry” Law and Society Association, annual meeting
April, 2015	“The History of Big Pharma and the Future of Medicine” New Jersey Institute of Technology. Invited talk.
March, 2015	“Reinvigorating Quackery: History, Ethics, and the Corruption of Biomedicine” Faculty Luncheon Speakers series, Florida State University. Invited talk.
October, 2014	“The United States Pharmacopeia and the Problem of Intellectual Property” History of Science Society, annual meeting.
August, 2014	“The Battle against Monopoly: Intellectual Property Rights and the Professionalization of Pharmacy” University of Wisconsin, School of Pharmacy. Invited Talk.
May, 2014	“Trademark Law and the Nineteenth-Century Origins of Generic Names” American Association for the History of Medicine, annual meeting.
December, 2013	“Intellectual Property Rights and the Moral Economy of Big Pharma, 1918-1942” Johns Hopkins University, History of Science, Medicine and Technology Colloquium. Invited talk.
April, 2013	Commentator, “When the World of Goods Goes Bad: Drugs as Intolerable Commodities,” Organization of American Historians, annual meeting.
November, 2012	“Pharmaceutical Suspicion: Toward a Transnational History of Distrust” American Studies Association, annual meeting.
November, 2012	Discussant, “Culture and the Active Body: Toward Interdisciplinary Action” Center for Physical Culture Studies, Florida State University.
December, 2011	Discussant, “Implementing a Three Culture Dialog at Florida State University” Faculty Luncheon Speakers series, Florida State University.
November, 2011	“The Pre-War Origins of Public Distrust of the Drug Industry” National Communication Association, annual meeting.
October, 2011	“A Slave to the Habit: Coffee and Moral Reform in Nineteenth-Century America” Symposium on Coffee, Florida State University.
September, 2011	“Exploitation and Commodification in Rebecca Skloot’s <i>The Immortal Life of Henrietta Lacks</i> ” Center for Humanities and Society, Florida State

University.

- June, 2011 “Beautiful Horror: Addiction and the Aesthetics of Decline” Sixth International Conference on the History of Alcohol and Drugs, Buffalo New York.
- April, 2010 “Drug Addiction and its Treatment in Historical Context” Department of Psychiatry Grand Rounds, Mayo Clinic, Rochester MI. Invited talk.
- April, 2010 “The Things Themselves: Intellectual Property Rights, Globalization, and the Transformation of the American Pharmaceutical Industry, 1877-1911.” American Association for the History of Medicine, annual meeting.
- March, 2010 “Toward a Cultural History of Addiction” Department of Social Medicine, University of North Carolina School of Medicine. Invited talk.
- June, 2009 “Tissue Cultures: The Scientific, Legal, and Social Histories of Stem Cell Research” James S. McDonnell Centennial Reunion Conference. Invited poster. St. Louis, MO.
- April, 2009 “Narcotic Addiction and Drug Control in Historical Perspective” Florida State University, College of Medicine, PIMS alumni reunion.
- March, 2009 “Consuming Subjects: Historical Narrative and Interpretive Flexibility in Addiction Research” Addiction, Brain, and Society Conference, Rollins School of Public Health, Emory University. Invited paper.
- April, 2008 “Between Pharmacological Determinism and the Social Construction of Addiction: Science, Culture, and the Practice of History” American Association for the History of Medicine, annual meeting.
- January, 2008 “Medical Humanities at Florida State University College of Medicine: Toward an Integrated Curriculum” Institute for Medical Humanities, University of Texas Medical Branch, Galveston Texas. Invited talk.
- January, 2008 “Hamilton Wright, American Consumer Culture, and the International Origins of Federal Narcotic Control, 1898-1914” American Historical Association, annual meeting.
- October, 2007 “Cocaine Addiction in Historical Perspective” Florida State University. Grand rounds on cocaine addiction, presented with two other speakers.
- April, 2007 “In the Arms of Morpheus: Addiction, Pain, and Narcotic Control in Historical Context” FSU College of Medicine. Invited talk.
- November, 2006 “Contagious Habit: Drugs, Addiction, and Metaphors of Infection, 1870-1910” History of Science Society, annual meeting.

- October, 2006 “Dangers of Stimulation: The Cocaine Fiend in Three Keys” Science Studies Program, University of California, San Diego. Invited Talk.
- April, 2002 “Impotence, Frenzy, and Fallen Women: Gender and the Discourse of Addiction, 1877 – 1914” Organization of American Historians, annual meeting. Versions of this paper were also presented at the annual meeting of the Society for the Social Studies of Science (Oct., 2001), and the annual meeting of the History of Science Society (Nov., 1999).

### **Academic Conferences and other Events**

2019: Co-organizer, “Governing Uncertainty in Drugs and Medicines: Narratives of Risk, Progress and Decline” October 2019, University of Strasbourg, France.

2015-2016: Conference organizer, with Matthew Crawford of Kent State University, “Organizing the World of Therapeutic Goods: Pharmacopeias in the Early Modern World” University of Wisconsin, Madison. April, 2016.

2012 - 2015: Co-founder and Co-facilitator, Florida State University College of Medicine Bioethics Forum. This was a semi-regular series of discussions on bioethics and related topics. We typically met three times a semester.

2013. Organizing committee, “Head, Shoulders, Genes, Toes” Curated by Judy Rushin, this was a major art exhibition held at FSU featuring the work of leading artists working in the genre of bioart. I also contributed a scholarly essay to the catalog.

2011. Co-organizer, “Precious Bodies,” an exhibition featuring medically-related art held in the College of Medicine. Co-organized with Judy Rushin, Department of Art.

2010-2011. Co-organizer, “Evolutionary Medicine: Interdisciplinary Contributions to the Study of Disease and Immunity.” International conference jointly sponsored by FSU College of Medicine, the FSU Department of Biological Science, and the FSU History and Philosophy of Science program.

October 2008 – March 2009: “Oral History Video Project for Medical Students.” Working with several other faculty members, I helped develop a voluntary service-learning project in which students interview elders in the community and prepare short video documentaries.

### **Courses and sessions taught**

*Florida State University, College of Medicine*

- Fall 2023, “Introduction to Clinical Ethics.” This is a required course for our Bridge program, which serves as a pathway to medical school for students from underrepresented backgrounds.

- “Medicine, Health, and Society” content co-director for Year 1 and 2 curriculum, 2018 – 2020. Responsible for coordinating more than thirty sessions on a wide variety of topics across the first two years of the medical school curriculum.
- Foundations 1, 2, and 3 small group facilitator.
- Designed and delivered sessions and lectures in years Y1 and Y2 on topics such as the pharmaceutical industry, conflicts of interest, research ethics, medical errors and apologizing, and vaccine skepticism.
- History of Medicine, fourth-year electives. Two and four week blocks.
  - History of Psychiatry
  - History of Women’s Health
  - History of Anesthesia
  - History of the Pharmaceutical Industry
  - Drugs and Addiction in History
  - History of Surgery
  - Race, Medicine, and Culture
  - Health Disparities
  - History of Public Health

*Florida State University, Department of History*

- Preparing Future Historians (graduate level)
- Modern American Medicine (3000 level)
- Medicine and Society (3000 level)
- Drugs in US History (3000 level)
- History of Medicine in America (graduate level)

*University of Wisconsin, School of Pharmacy*

- Professional Decision Making in Pharmacy Practice

*Rutgers University*

- United States History survey (1877-present)
- United States History, 1880-1920
- Western Civilization to 1789
- World Civilizations since 1400
- The Contemporary American: Drugs in the United States

**Professional Service**

*Florida State University, Campus Wide*

2025 - Technology Policy Committee

2018 - 2019	Florida State University, Faculty Senate.
2016 – 2017	Faculty adviser, Students for a Democratic Society
2014 – 2015	Florida State University, Faculty Senate

*Florida State University, Department of History*

2020 – 2021	John and Susan Ausley Endowment Fund Award. Chair.
2020 – 2019	Library Committee. Chair.
2017 – 2018	Works in progress committee. Chair.
2018 – 2019	Wright and Richardson Prize committee. Chair.

*Florida State University, College of Medicine*

2025 - Present 2017 – 2019, 2013 – 2015, 2008 – 2012	Admissions Committee. Voting member.
2017 – 2021	Curriculum Committee. Voting member.
2016 – 2020	Promotion and Tenure Committee, Department of Behavioral Sciences and Social Medicine. Voting member.
2018	Faculty adviser, Humanities and Medicine student interest group.
2018	LCME Site visit prep committee. Subcommittee on the Faculty.
2017 – 2018	Faculty adviser, Alternative and Integrated Medicine student interest group
2016 – 2017	Faculty adviser, History of Medicine student interest group
2016 – 2018	Taskforce on teaching, Department of Behavioral Sciences and Social Medicine, chair.
2014 – 2015	Chair, Conflicts of Interest Policy Taskforce at FSU College of Medicine. We were charged to develop COI policies and enforcement mechanisms for the College of Medicine.

2014 – 2015	Faculty Council. Voting member.
2014	Promotion and Tenure Committee, College of Medicine. Voting member.
2014	Promotion and Tenure Committee, Department of Behavioral Sciences and Social Medicine. Voting member.
2014	Search committee, Health Quality faculty search
2013 – 2015	Member, Diversity and Inclusion Council
2013 - 2013	MHSS Strategic planning committee.
2012 - 2013	Learning Objectives and Milestones Sub-Committee, Educational Reform Committee.
2012	Search committee, bioethicist faculty search.
2010 - 2011:	MHSS Strategic planning committee.
2010	Search committee, bioethicist faculty search.
2010	LCME Site Visit Self-Study Committee.
2009 - 2010	Search committee. Chair, Department of MHSS.
2009	Search committee. Associate Dean for Student Affairs.
2008	Committee member, College of Medicine strategic planning workshop.
2007 - 2009:	Faculty Council.

*University of Wisconsin, School of Pharmacy*

2015 - 2016	Faculty senate, alternate.
2016	Awards committee
2016	Search committee for Assistant Professor, Social and Administrative Sciences.

*Professional Service*

2021 - 2024	Member, editorial board, <i>Bulletin of the History of Medicine</i>
2020 -- 2023	Member, editorial board, <i>Journal of the Gilded Age and Progressive Era</i>

2019 -- Present	Member, editorial board, <i>History of Pharmacy and Pharmaceuticals</i>
2018 - 2019	Chair, Welch Committee, annual prize committee for best book in the history of medicine in the past five years, American Association for the History of Medicine.
2017	External grant reviewer: The Wellcome Trust and the Social Sciences and Humanities Research Council of Canada
2016	Chair, Estes Prize Committee. American Association for the History of Medicine
2016	External grant reviewer, American Institute of the History of Pharmacy
2013	National Endowment for the Humanities, study section.
2013 - 2015	“The Clio Group” This was a working group of historians who teach at medical schools that is working together to design curricula and other tasks. It is organized under the auspices of the American Association for the History of Medicine.
2011 - 2012	Member, Shyrock Committee. American Association for the History of Medicine.
2007 - 2025:	Ad-hoc reviewer for Cambridge University Press, Duke University Press, Johns Hopkins University Press, National Science Foundation, Oxford University Press, Routledge, Springer, University of Chicago Press, Wellcome Trust, <i>Addiction</i> , <i>Biosocieties</i> , <i>Bulletin of the History of Medicine</i> , <i>Canadian Journal of Health History</i> , <i>History of Pharmacy and Pharmaceuticals</i> , <i>Journal of the Gilded Age and Progressive Era</i> , <i>Journal of General Internal Medicine</i> , <i>Journal of the History of Medicine and Allied Sciences</i> , <i>Medical History</i> , <i>Register of the Kentucky Historical Society</i> , <i>Social History of Drugs and Alcohol</i> , <i>Social History of Medicine</i> , <i>Social Studies of Science</i> , <i>Traumatology</i> , <i>Public Health Reports</i> .
