

# Technology and Change: A History of Technology

AMH 3930-02 | TR 11:35-12:50  
HCB 208 Fall 2022

Prof. Ronald E. Doel

A painting of a rural landscape. In the foreground, a person wearing a red shirt and a hat sits on a grassy hill, looking towards a steam train. The train is moving along a track that curves through a green field. In the background, there are rolling hills and a small town with a church steeple. The sky is a soft, hazy blue.

*Technology affects  
culture. Culture  
influences technology.*

How did technology influence  
American history? How can we  
understand how technology  
influenced social movements,  
politics, and American society?
