

Space Exploration: Past, Present, and Future

AMH 3930-01 |
HCB 208

MWF 12-12:50 PM
Spring 2022

Prof. Ronald E. Doel
Department of History

*What place has sent more
spacecraft throughout the
solar system than any
other?*

Florida

How scientists, engineers,
World War II, and the Cold
War created the space age
