

Space Exploration: Past, Present, and Future

WOH 3930-01 |
Bellamy 0007

TR 01:20-2:35 PM
Spring 2023

Prof. Ronald E. Doel
Department of History

*Q: What place has sent
more spacecraft
throughout the solar
system than any other?*

A: Florida

How scientists, engineers,
World War II, and the Cold
War created the space age
